Dr Linda Bowman

General Education and Student Success in the Sub-degree Sector

This presentation will focus on lessons learned in the U.S., as well as on the unique challenges for Hong Kong educators as they implement a new system of pathways to student success.

Examples will include the mapping of student pathways, the principles of common course numbering and descriptors, the hurdles to acceptance of credit, the question of academic freedom, the imperative of quality assurance, the key role of student support services, and the value-added in attaining a sub-degree.

10:10 a.m. **Respondents** (Fulbright scholars and local experts)

10:25 a.m. **Intermission**

10:50 a.m. **Parallel Sessions** (Venues: 13/F, HPCC)

- A. Articulation Matters Regarding General Education
- B. Exploring Pedagogies for General Education Courses
- C. Academic Advising and General Education

11:50 a.m. **Reporting** (Venue: Ngan Hei Keung Lecture Theatre 1, 2/F, HPCC)

12:20 p.m. **Conclusion**
